Transnational Education Review (TER) is an international peer-reviewed Open Access journal facilitating scholarly exchange on education and cross border implications, practices and policies involving researchers, policy makers, practitioners, agents, donors, families and students as key stakeholders. The Journal welcomes all contributions on education in broadest meaning. At the same time, contributions focusing on transnational education and international dimension are particularly encouraged.

Transnational Education Review is indexed and abstracted in:

- Central and Eastern European Online Library (CEEOL)
- Research Papers in Economics (RePEc): RePEc search

Transnational Education Review is published twice a year in May and November.

Transnational Education Review is published by Transnational Press London, UK.
